## About GIEC

GIEC is a leading company in consumer electronic products since 1999. The Major products include AI (Artificial intelligence) Speaker, Wi-Fi Speaker, Bluetooth Speaker, Soundbar, OTT Box, Set Top Box, Tablet PC etc.

As a first-class electronics enterprise in China and for intensely increased business, GIEC built its own modern industry park, which is located in Longgang district covering 150,000 square meters. GIEC is running strictly under regulations of ISO9001 standard and in correspondence with RoHS, CE, UL, FCC, FDA, GS and so on. We always guarantee the reliable quality with competitive price.

## GIEC Audio Products Advantages Introduction

- Supply Customized ID Design and Tooling
- Supply Customized PCB Schematic Diagram Design & Layout
- Professional Anechoic Chamber, Listening room
- Sound & Acoustics Concepts Design - Simulation and Analysis
- Signal Flow Architecture Design and Development
- Sound Tuning - Golden Ears Evaluation
- Product Measurement and Performance Verification

### • Assembly Division

### • Reliability Test

### • Professional Listening Room

### • Professional Anechoic Chamber & Test Lab

# AI SPEAKER

# Wi-Fi Music Box M1

Size: 144\*133\*36.8mm

M1

- A Wi-Fi connected audio device that "work with Alexa" which could be voice controlled without a MIC
- Wi-Fi Audio Receiver that makes your speakers wireless
- Easy set-up allows you connect your speakers effortlessly to Wi-Fi
- Support user-friendly APP control
- Multi-room function allows you to stream synchronized music throughout different rooms, as well as control song selection and volume
- Fully support Airplay, DLNA, Spotify, iHeartRadio and more
- Wi-Fi music box streams music to your sound system. Just connect music box and use app to play music wirelessly over your Wi-Fi Network

Alexa  
play music  
in the M1

Add voice control by combining with an Alexa device

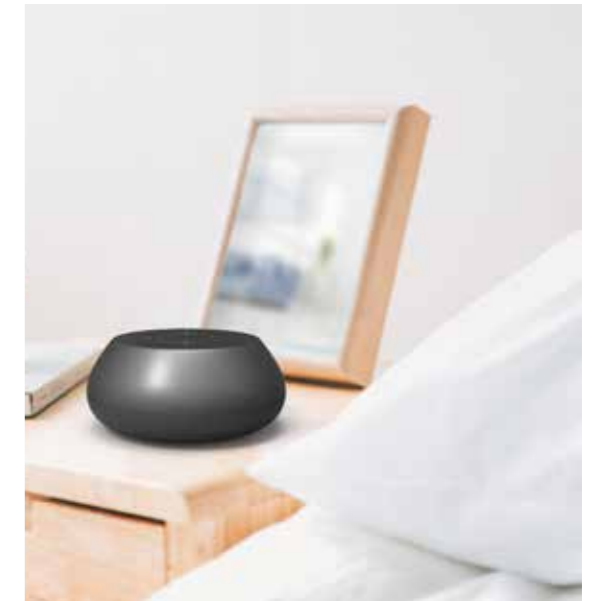

# AI Speaker

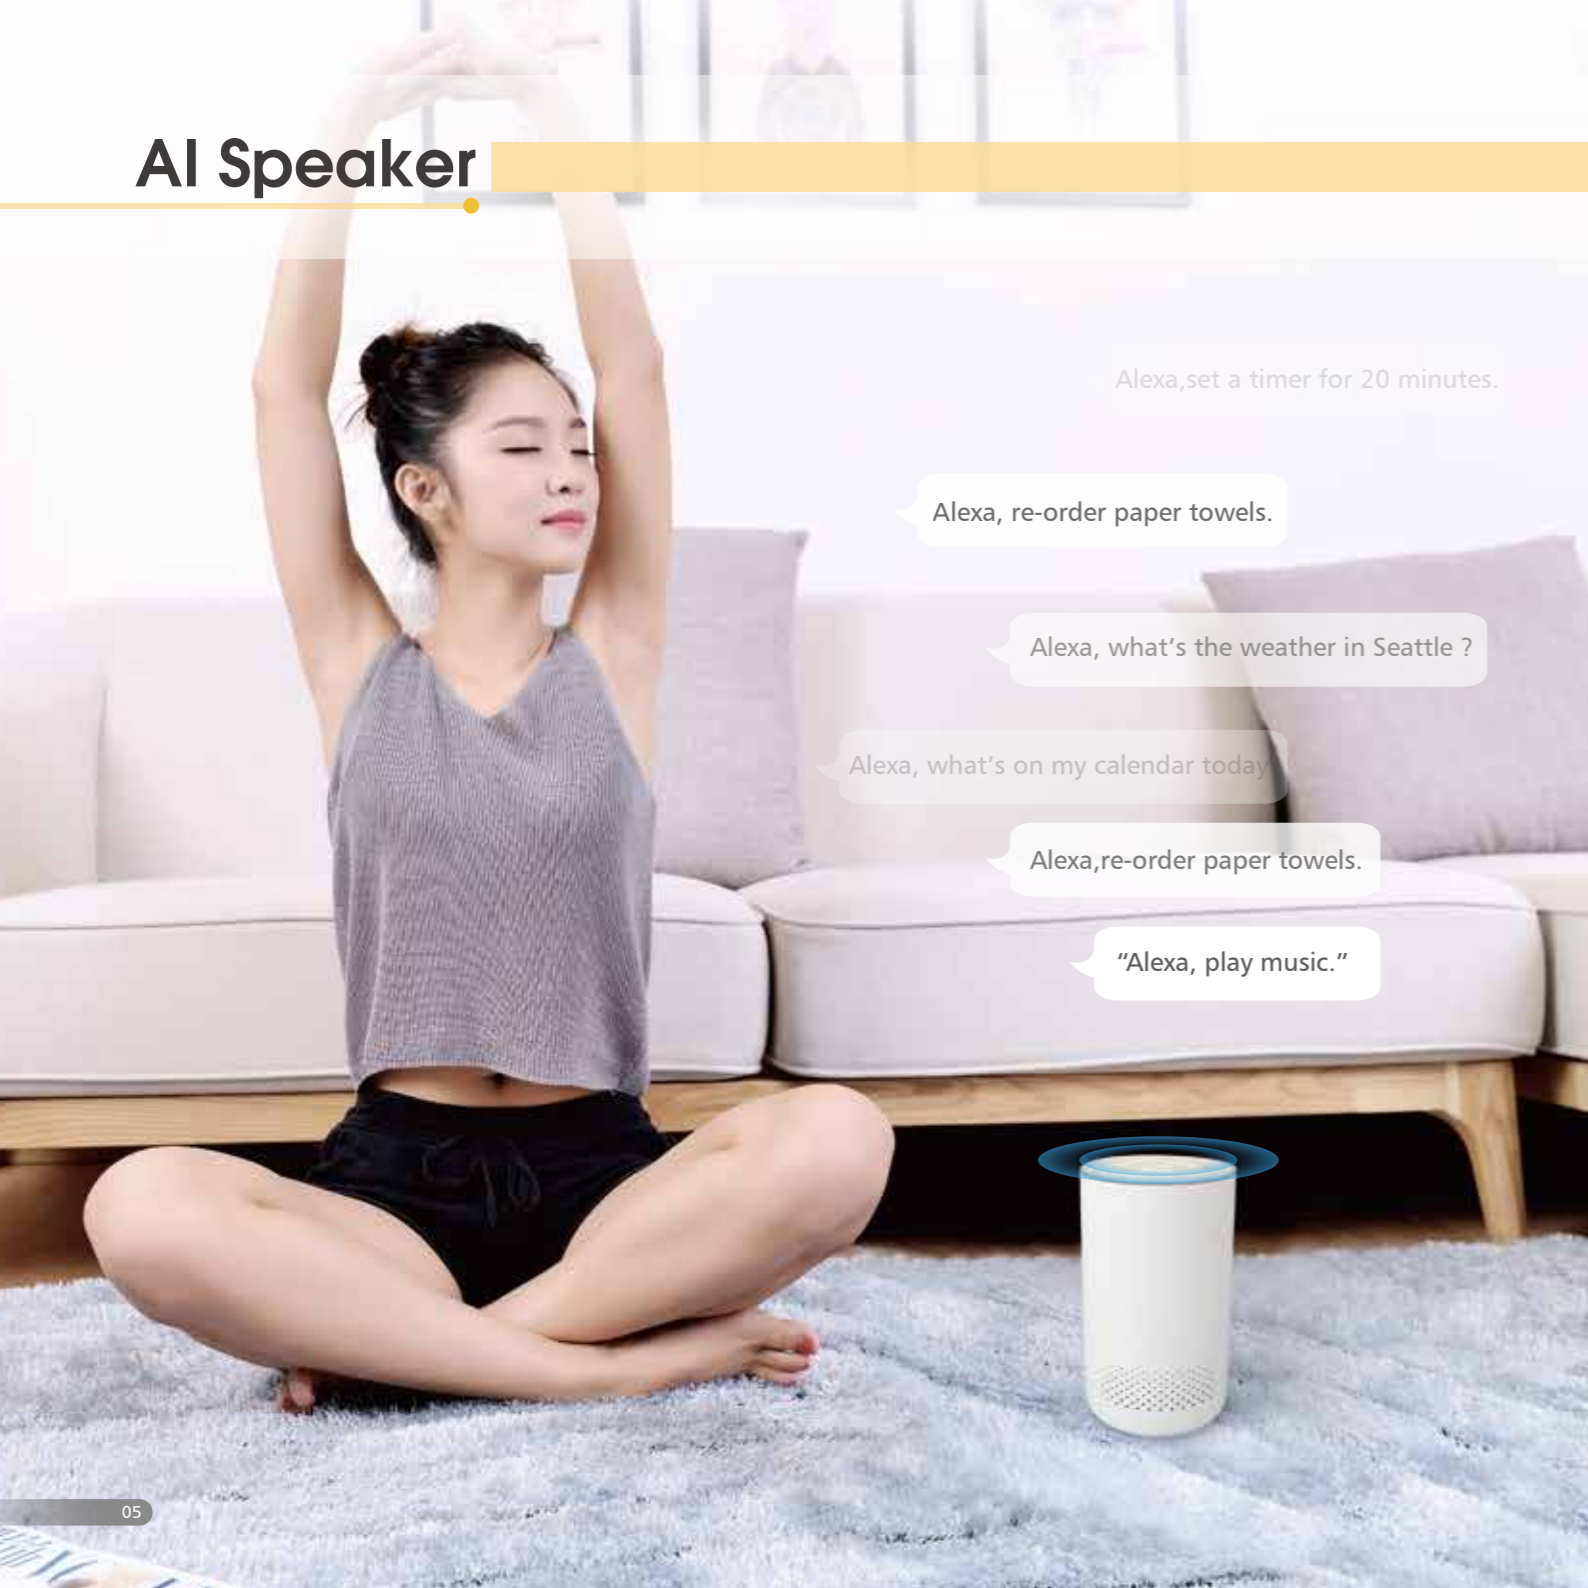

Size: 110(D)\*49(H)mm

**GK-DCM0303**

- DDR3: 256MB
- FLASH: 256MB
- 4-Microphone Array
- Built-in Antenna
- Rated Power: 3W RMS
- Input: DC 5V/1.5A
- Built-in Battery: 2000mAh/3.7V(optional)
- Frequency Response: 120-20KHz(-10dB)
- Transducer: 1.5"\*1 Fullrange
- Wi-Fi: Built-in 2.4G Wi-Fi
- Bluetooth: 4.2 V

# AI Speaker

Alexa, set a timer for 20 minutes.

Alexa, re-order paper towels.

Alexa, what's the weather in Seattle ?

Alexa, what's on my calendar today

Alexa, re-order paper towels.

"Alexa, play music."

Size: 90(D)\*151(H)mm

## GK-S130A

- DDR3: 256MB
- FLASH: 256MB
- 4-Microphone Array
- Built-in Antenna
- Rated Power: 5W RMS
- Input: DC 12V/1A
- Frequency Response: 120-20KHz(-10dB)
- Transducer: 1.5"\*1 Fullrange
- Wi-Fi: Built-in 2.4G Wi-Fi
- Bluetooth: 4.2 V

Voice control your home

Order pizza from Domino's

Find local businesses

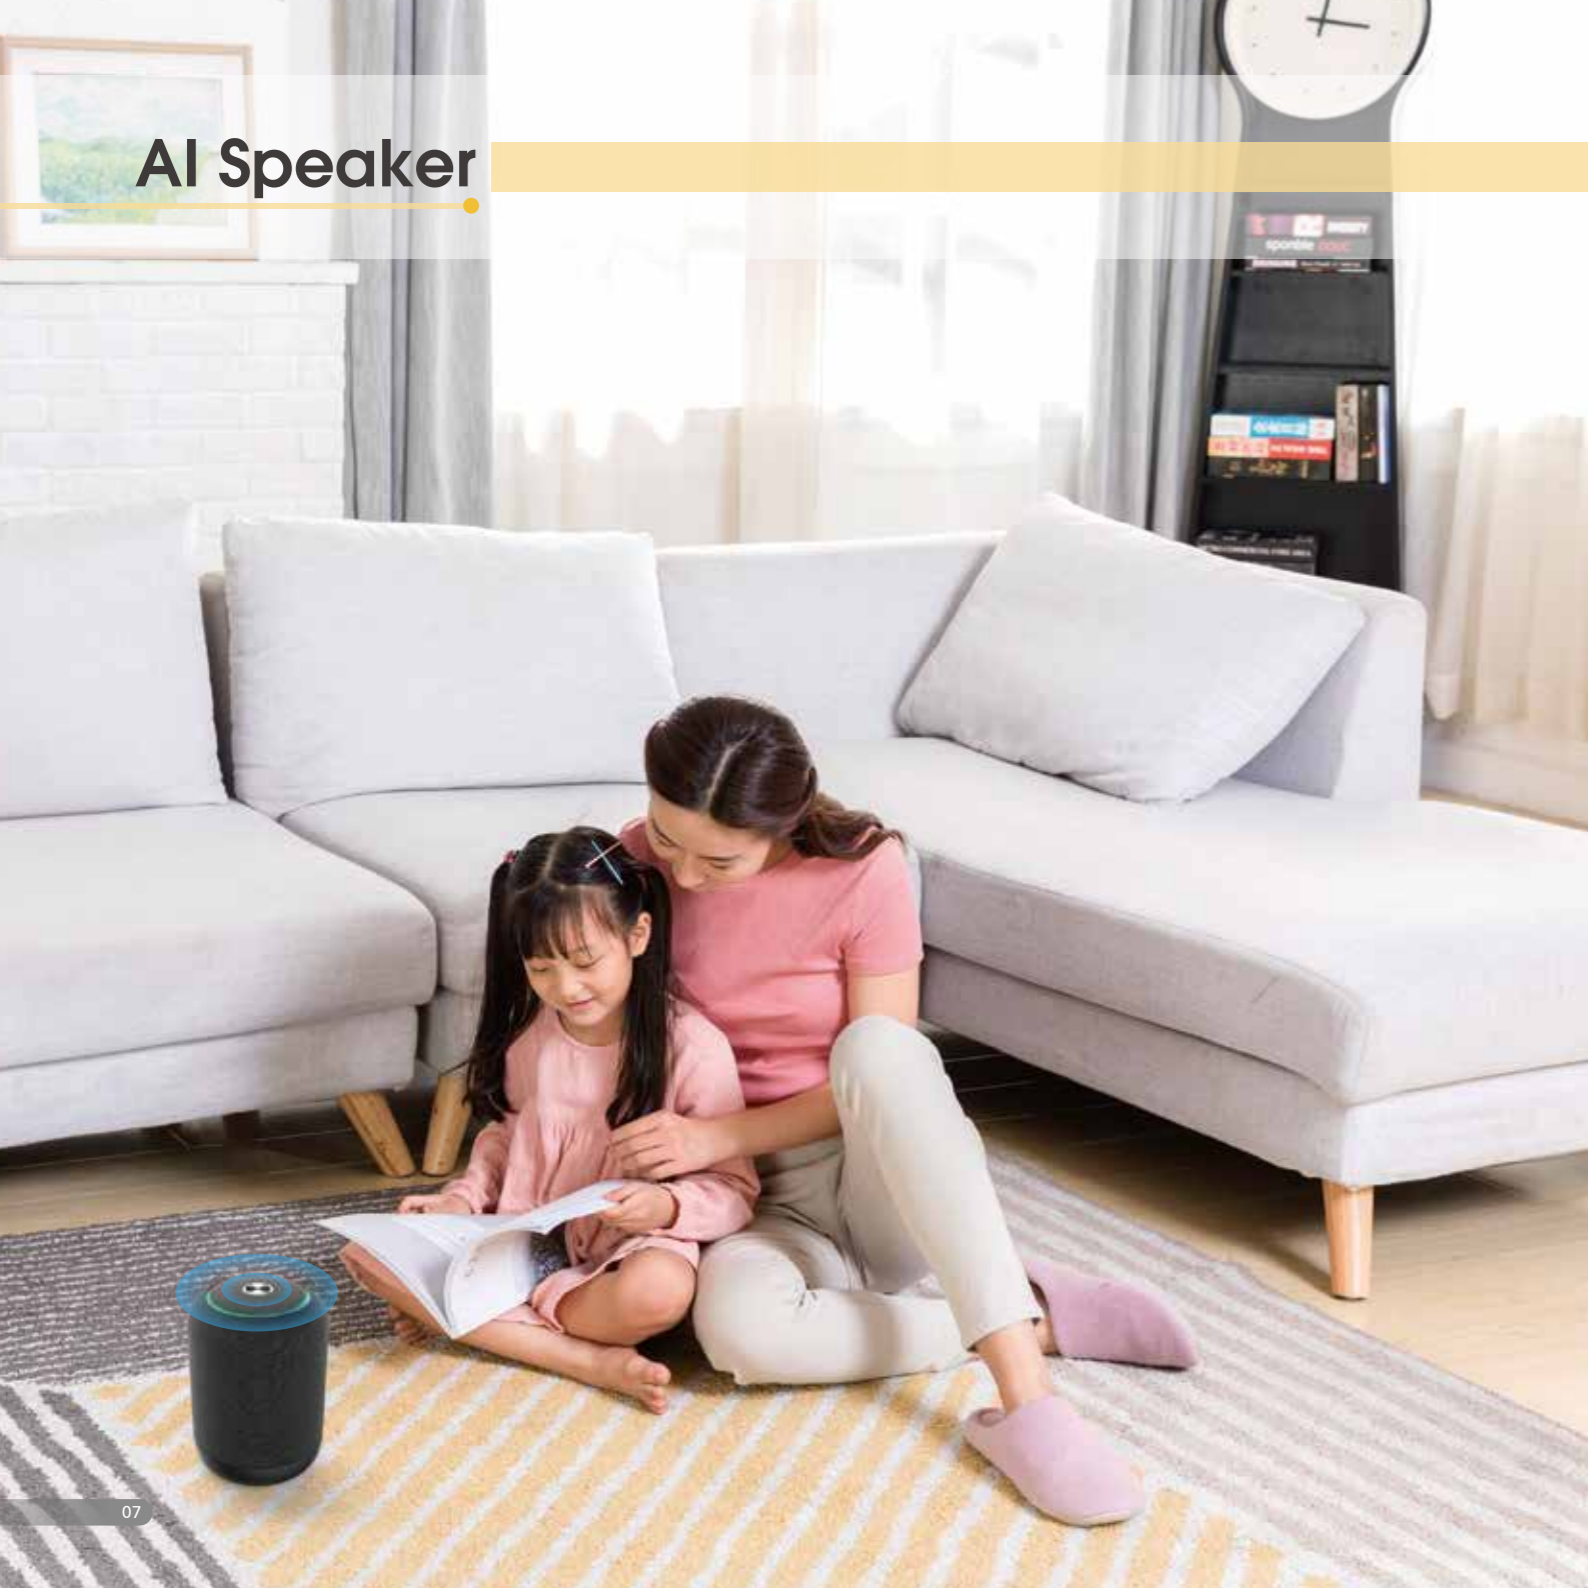

Play your favorite music

Request rides from Uber

# AI Speaker

Size: 120(D)\*170(H)mm

## GK-S3000

- DDR3: 256MB
- FLASH: 256MB
- 6-Microphone Array
- Built-in Antenna
- Rated Power: 5Wx2 RMS
- Input: DC 12V/1.5A
- Built-in Battery: 2000mAh/3.7V(optional)
- Frequency Response: 120-20KHz(-10dB)
- Transducer: 1.5"\*2 Fullrange
- Wi-Fi: Built-in 2.4G Wi-Fi
- Bluetooth: 4.2 V
- Power Indicator(LED): RGB LED(16pcs)

Voice control your home    Order pizza from Domino's    Find local businesses    Play your favorite music    Request rides from Uber

# BT/Wi-Fi SPEAKER

# Mosquito Repellent Bluetooth Speaker

Size: 124(D)\*142(H)mm

## GK-DCM0502B

- Bluetooth version 4.2 wireless audio (Up to 10m (33 feet) wireless stream range)
- Touch for lighting the lamp with colorful light
- Mosquito Repellent function
- Micro USB Charging Connection
- Support 3.5mm Aux In
- Call pick up/hang up function
- With voice reminder function
- Built-in passive radiator for more bass
- Rated Power: 5W RMS
- Power Supply: 5V/2A
- Frequency response: 70Hz~20kHz
- Lithium battery: 3.7V/1800mAh
- Playback time: 4-5 hours

# LED Lighting Bluetooth Speaker

Size: 124(D)\*142(H)mm

## GK-DCM0502C

- Bluetooth version 4.2 wireless audio (Up to 10m (33 feet) wireless stream range)
- Touch for lighting the lamp with colorful light
- LED display (clock, mode, FM channel display)
- Micro USB Charging Connection
- Support 3.5mm Aux In
- Support FM radio
- Call pick up/hang up function
- With voice reminder function
- Built-in passive radiator for more bass
- Rubber finishing
- Rated Power: 5W RMS
- Power Supply: 5V/ 2A
- Signal to Noise Ratio:  $\geq 85$ dB
- Frequency response: 70Hz~20kHz
- Lithium battery: 3.7V/ 1800mAh
- Playback time: 4-5 hours

# LED Lighting Wi-Fi Speaker

**GK-DCM0501B**

Size: 120 (D)\*132(H)mm

- Built-in Wi-Fi/Support Wi-Fi hotspot
- Easy smart connection of Wi-Fi
- Support DLNA, Airplay, Qplay protocol
- Support cloud media player: Spotify, iHeartRadio, XIMALAYA ...
- Support Multi-room/Multi-channel wireless music
- Support Internet radio and lossless music
- Touch for lighting the lamp
- LED display(clock, mode, volume, play/pause)
- Support USB charging, AUX playback
- Built-in passive radiator for more bass
- Rated Power: 5W RMS
- Power Supply: 5V/2A
- Frequency response: 70Hz~20kHz
- Lithium battery: 3.7V/1800mAh

# Portable Wi-Fi Speaker

**GK-DCM1003**

Size: 127 (D)\*123(H)mm

- Built-in Wi-Fi/Support Wi-Fi hotspot
- Easy smart connection by Wi-Fi
- Support DLNA, Airplay, Qplay protocol
- Support cloud media player: Spotify, iHeartRadio, Tuneln, TIDAL...
- Support Multi-room/Multi-channel wireless music
- Support Internet radio and music
- Portable design with handle for outdoor
- Support USB charging, AUX playback
- Built-in passive radiator for more bass
- Touch control button
- Rated Power: 10W RMS
- Power Supply: 5V/ 2A
- Frequency response: 76Hz-20kHz
- Lithium battery: 1800mAh/7.4V
- Playback time: 4-6 hours

# Wi-Fi Smart Speaker S1

GK-DCM5001/S1

Size: 350\*114.2\*181.5 mm

- Built-in Wi-Fi/Support Wi-Fi hotspot
- Easy smart connection of Wi-Fi
- Preset favorite playlist for easy access
- Support DLNA, Airplay, Qplay protocol
- Support cloud media player: Spotify, iHeartRadio, XIMALAYA...
- Support Multi-room/Multi-channel wireless music
- Support Internet radio and Lossless audio
- Support smart device as remote control
- Customized App control
- Jack: Ethernet port(RJ45), 3.5mm Aux in, USB host, DC jack
- Rated Power: 20W\*2 RMS
- Power Supply: 24V/2A
- Frequency response: 50Hz~20kHz
- Transducer: 2\*3"woofer, 2\*1"Tweeter

• Study room

• Bed room

• Dining room

• Living room

# Wi-Fi Speaker S2 with BT and Display

**GK-DCM5002/S2**

Size: 320\*83\*172mm

- Elegant upscale aluminum alloy design
- LCD/OLED display(clock, mode, song info display)
- Bluetooth version 4.0 wireless audio
- Built-in Wi-Fi/Support Wi-Fi hotspot
- Preset favorite playlist for easy access
- Support DLNA, Airplay, Qplay protocol
- Support cloud media player: Spotify, iHeartRadio, XIMALAYA...
- Support Multi-room/Multi-channel wireless music
- Customized App control
- Automatic mode switching for AUX/USB
- Support Internet radio and Lossless audio 12S 48kHz/16bit up to 192kHz/24bit
- Jack: Ethernet port(RJ45), 3.5mm Aux in, USB host, DC jack
- Rated Power: 25W\*2 RMS
- Power Supply: 24V/2A
- Frequency response: 50Hz~20kHz
- Transducer: 2\*3"woofer, 2\*1"Tweeter

# SOUNDBAR

## Entry Level 2.0ch Soundbar

**LSP-60TC**

Size: 860\*80\*50mm

- 2.0CH soundbar system
- Wireless audio from Bluetooth V4.2+EDR(Enjoy your mobile music freely)
- LED indicator
- L/R audio input, optical coaxial HDMI input(optional)
- Rated Power: 30W RMS totally(15W+15W)
- Transducer: Tweeter x 2; Full Range x 2
- Frequency Response: LF: 90Hz-20kHz / RF: 90Hz-20kHz

## Entry Level 2.0ch Soundbar

**LSP-65**

Size: 995\*64\*64mm

- 2.0CH soundbar system
- Bluetooth V4.2 wireless audio
- Support audio playback from USB
- Support Aux-in audio input
- Rated Power: 36W RMS totally(2x18W)
- Frequency response: 50Hz-16KHz

## 2.1CH Soundbar with Wired Subwoofer

**LSP-860** Size: 860\*85\*47mm

- Elegant Slim 2.1CH Soundbar System With Wired Subwoofer
- Bluetooth V4.2 Wireless audio
- Support audio playback from USB(Support MP3, WMA, WAV, OGG, FLAC, APE)
- 2-IN 1-OUT HDMI/MHL Dual Mode Repeater with Equalizer
- Support optical, coaxial, L/R audio input
- Support HDMI ARC(Audio Return Channel)
- Rated Power: 60W RMS totally(Soudbar: 2\*15W+subwoofer: 30W)
- Transducer: Tweeter x 2; Full Range x 2; subwoofer x 1

## 2.1CH Soundbar with Wireless Subwoofer

**LSP-860B** Size: 860\*85\*47mm

- 2.1CH great sound bar with wireless Subwoofer
- Bluetooth V4.2 Wireless audio
- Support audio playback from USB(Support MP3, WMA, WAV, OGG, FLAC, APE)
- 2-IN 1-OUT HDMI/MHL Dual Mode Repeater with Equalizer
- Support optical, coaxial, L/R audio input
- Support HDMI ARC(Audio Return Channel)
- Rated Power: 90W RMS totally(Soudbar: 2\*15W+subwoofer: 60W)
- Transducer: Tweeter x 2; Full Range x 2; subwoofer x 1
